

# Another Train

Jane 'Molly' Ellis

Kate Delaney

Denis Tracey

Andrew Saunders

Another Train is a new line-up of four vintage folk musicians – all singers and instrumentalists with a shared grounding in the Australian folk scene. Kate and Denis's lead & harmony vocals with guitar and whistle, are supported by Andrew & Jane's vocals and accompaniments on fiddle, mandolin, keyboard, and accordion. Traditional and contemporary songs, with a fair share of country, will give you plenty to sing about and a chance to join in.
