Fred Smith

A photograph of Fred Smith performing at Uruzgan. He is in the foreground, wearing a grey and black long-sleeved shirt with 'Seattle WASHINGTON' on it, playing an acoustic guitar and singing into a microphone. In the background, there is a yellow concrete structure with a large rectangular opening. Inside this opening, another person is visible sitting on a ledge, looking out over a green valley. The top of the structure has some sandbags and a small flag. The background shows a vast, arid landscape with mountains under a clear sky.
