From the USA, one of the world's finest & funniest songwriters & performers launches her new e-book/CD with renowned cellist Anatoli Torjinski!

Packed with laughter, sex, sadness, adventure, and misadventure, this modern, madcap memoir/travelogue/double CD traces the life of songwriter/troubadour Kristina Olsen through her childhood in Haight-Ashbury, California in the wild '60's, to her touring the world as a professional musician.

"It is indeed a rare occurrence to be so completely captivated for an entire concert by one person and a guitar, but American singer/songwriter Kristina Olsen certainly managed this and more, delivering a highly entertaining show to a capacity audience for over 2 hours."
